Dear colleagues,
Dear friends,

It is our sincere pleasure to invite you to the 36th Annual Congress of the European College of Gerodontology (ECG), organized in cooperation with the Deutsche Gesellschaft für AlterszahnMedizin (DGAZ) and featuring visiting sessions by the European Geriatric Medicine Society (EUGMS).

The congress will take place on May 8–9, 2026, and will be hosted by the Polyclinic for Restorative Dentistry and Periodontology at the University of Cologne.

Join us for a rich and engaging scientific program featuring inspiring speakers, poster sessions, an award competition, the ECG General Assembly, an industry exhibition, and many opportunities for exchange and networking with colleagues and friends.

A special highlight will be our Friday evening event, the Kölner Dinner at the Lake – a wonderful chance to experience Cologne's unique atmosphere and warm hospitality.

Save the date – we look forward to welcoming you to Cologne!

Warmest regards,

Prof. Dr. Dr. Greta Barbe
